Pingree Transload, LLC PACE Approved by Board

The JSDC Board of Directors voted to approve the PACE request of up to \$214,286 for Pingree Transload at their July meeting.

Pingree Transload, LLC is owned by Carl and Julie Peterson of Harwood, ND, and will be located on 63 acres of land off Highway 281 in Pingree, ND. The site will be an Identity Preserved Crop Processing Rail loading facility for the region and is expected to be fully operational by the end of Quarter 4 this year. Identity Preserved crops bring higher value to farmers, grain handlers, and processors by providing the specialty products that today's consumers and ingredient buyers demand. This will directly impact our community and North Dakota farmers positively by creating opportunities for the niche production of IP crops.

In The News:

USDOT selects SkyWest to extend EAS contract, continuing service to Jamestown and Devils Lake

Mayor says SkyWest Airlines is 'best possible regional airline' Jamestown could ask for to serve the community.

So Many Summer Events!

Jamestown Calendar is now an integrated module on the Jamestown Tourism website! Same great resource, but now it has the ability to pull events from all over the web! Users are also able to sort events by category, such as by Chamber member businesses, family-friendly events, and more!

This calendar helps visitors and community members plan the month ahead. It also serves local businesses as a talent recruitment tool to showcase the community. Whether your business hosts a trivia night, your restaurant brings in local music, or you lead a group yoga class, Jamestown wants to know about it! Don't forget to register your events!
