Iverson Properties LLC Flex PACE Approved

The JSDC Board of Directors voted to approve the Flex PACE request of up to \$15,233.93 for interest buydown for Iverson Properties at their June meeting.

Iverson Properties is buying a building at 1008 10th St SW in Jamestown. The building will be for the relocation of the Chiropractic Arts Clinic. The new facility will allow for growth opportunities, such as establishing new and innovative chiropractic care as a growing method of providing low-cost healthcare solutions. The new location will allow the business to offer additional services, such as having a specialized chiropractic x-ray area in the future, utilizing stem waves to serve the needs of patients, as well as hiring an acupuncturist in the future.

This calendar helps visitors and community members plan the month ahead. It also serves local businesses as a talent recruitment tool to showcase the community.
